

Wait for me! See you at the top!
Time for a pitstop?

The Motorola Talkabout™ T5532 really is the essential partner for all your favourite outdoor activities. Whether you are snowboarding, rock climbing, mountain-biking, paragliding or fishing, the T5532 is the perfect companion, helping you to share the thrills and spills with your friends.

Simply press and hold the push-to-talk button for instant communication with your group for up to 5km (3 miles)*.

When your outdoor pursuits take you elsewhere in the majority of the European Union² you are free to use your licence-free T5532s, avoiding mobile phone roaming charges.

Surf the airwaves with the Motorola Talkabout T5532 Two-Way Radio

I like it, tell me more...

• Cost-free operation

No licence contract or airtime charges²

• Instant communication

Just press and hold the push-to-talk button to get the message to the team

• Avoid missed calls

Shake things up with vibrate alert! Perfect when things get noisy or you want to receive a call discreetly

• Handsfree use

Connect your favourite Motorola accessory and enjoy voice-activated (VOX) communication leaving you free to focus on your moves

• Keypad lock

Helps keep everyone on the same channel and means that you won't lose contact when you take a tumble

• User-friendly

Chunky rotary on/off/volume switch and large easy-to-read backlit screen with simple-to-understand icons

• Less congestion

With 304 talk combinations, just change channel to avoid other users

• Flexible

Add more radios as the party grows to keep in touch. No time to use the included twin desktop fast charger? Throw in three alkaline AA batteries and keep talking. Rechargeable batteries can be charged with or without the radio

• Award winning innovative design

Stylishly moulded in rugged black polycarbonate

• Motorola Trusted Reliability

Quality tested to withstand the equivalent of 5 years usage with shock, temperature changes, sand and dust, humidity, salt fog, flammability and solar radiation, the T5532 is made to operate almost everywhere you can!

• Lightweight and wearable

The T5532 fits in the palm of your hand, in a pocket or can be clipped onto a belt or strap with the included easy-release swivel clip

• Customisable

Make the most of your T5532 with an optional Motorola headset, earbud, armstrap or waterproof bag

The T5532 also features:

- Reassuring "roger" beep to confirm message transmission
- Battery gauge and audible low battery alert
- 10 call tones to personalise your radio
- Channel scan to find your friends' radios
- Energy save mode and time out timer
